Sorry Omar. I'm unable to find answers to the specific comments made by Powertech.
When you have a chance, could you provide responses to comments 62-66 in Powertech's comment table below?
Thanks.

Hi Douglas

I'm wrapping up responses to PT's specific comments and need to update one of the comments related to FR for the Class V well.

Ex. 5 Deliberative Process (DP)

There also are several comments related to ESA. Would Omar be the person to talk to about these?
Thanks.
